

Co-Curricular and Extra-Curricular Activities at O'Carolan College, Nobber

Academic subjects and co-curricular and extra-curricular activities complement each other and assist in developing well rounded, socially skilled and healthier students who have experience working in teams.

Students who are actively involved in such activities tend to improve their academic grades also. This may be due to increased motivation, self – esteem and organisational and time management skills. With the wide and diverse range of co-curricular and extra-curricular activities which will be on offer at O'Carolan College, it is envisaged that students will be in a position to choose an activity that appeals to them personally.

Examples of proposed activities include:

Gaelic	Rugby	Badminton
Athletics	Basketball	Drama
