

It is part of our goal to help students with dyslexia as much as possible. Students with dyslexia must work **4 times harder than** other students to keep on top of the reading, note-taking, organising and learning, so no wonder they are exhausted. Therefore, we endeavour to give these students the extra support they deserve.

We have included a number of resources which you may find useful.

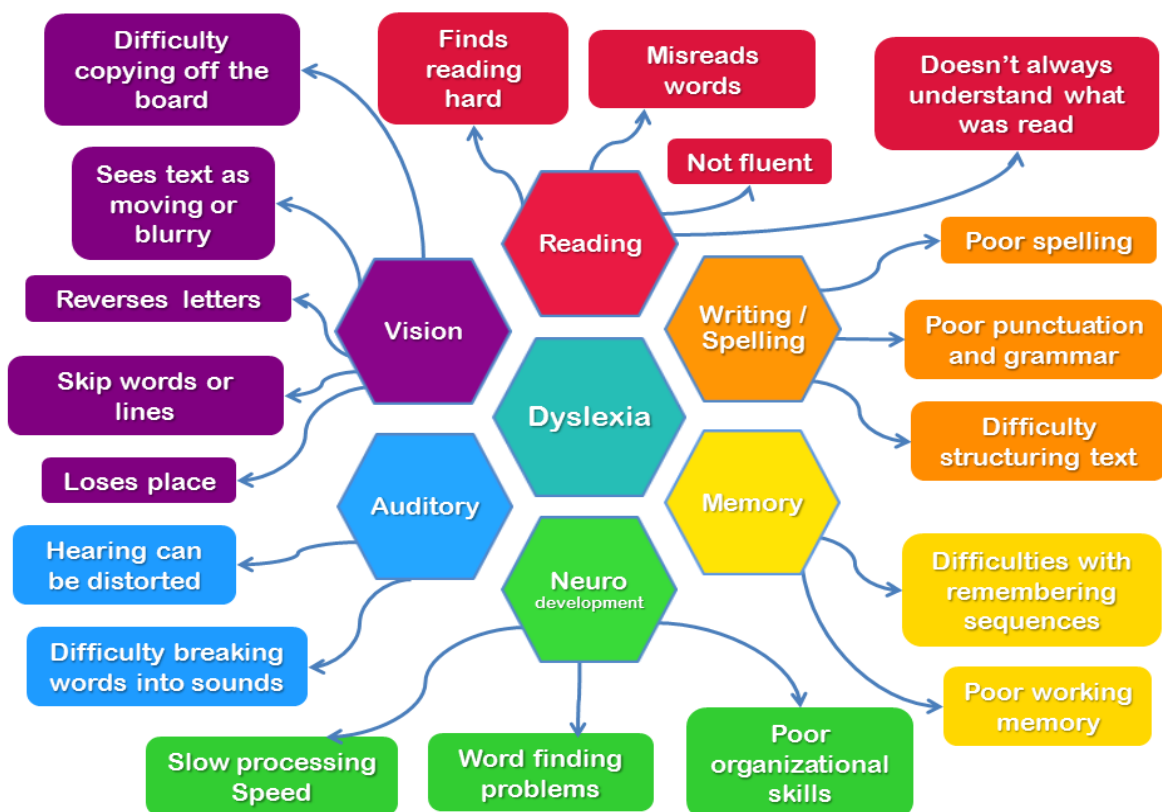

[Know the signs, and how to help kids with the most common learning disability](#)

<https://dyslexia.ie/> is a great source of information for parents and teachers.

Our dyslexic learners can be frustrated in their educational environment. Accordingly, it is so important to work on motivating the dyslexic student.
